

but the coldness which is known to exist between him and Senator Conkling would prevent any enthusiasm for Mr. Blaine in this State. Could Sherman carry New York against Seymour? It must be remembered that he is a member of President Hayes' Cabinet; that he is not on the removal of Mr. Cor-

near the busy hub of the spinning wheel in our midst. The Cement Attachment is to be used, and we learn that they can be arranged at a cost of about \$25.00 to \$15,000. A stock company will be formed within a few days, nothing

doing such work as this is one of the greatest merits of money in the eyes of Sam Ward. He has seen much of public life in the United States, and he himself oftentimes controlled legis-

valuable lives prolonged. The time coming when, because of this remedy, no one will die of such diseases as Bright's and Diabetes.
